

LeadershipClass 2021

At A Glance

Leadership Fort Worth's **Leadership Class** exposes established leaders to the diverse needs and issues in the community and enables them to become trustees of Fort Worth's future. The program provides a richer understanding of Fort Worth's history, current issues, and future needs and opportunities. During this program, participants collaborate with each other and community experts to make a difference through in-depth Issues Initiatives. Completion of the Leadership Class leads to becoming a member of Leadership Fort Worth, a valuable resource of talent that creates an environment for continuing development, education and community trusteeship. The Leadership Class:

- Provides established leaders with enhanced knowledge of the Fort Worth community, the way it works and the needs it faces
- Builds connections between leaders and others who share a passion for specific concerns
- Provides experience with group process strategies to support collaboration
- Aligns personal passions, expertise, and spheres of influence to make an impact on issues that are vital to Fort Worth's future.
