

LeadershipClass 2022

At A Glance

Leadership Fort Worth's (LFW's) **Leadership Class** exposes established leaders to the diverse needs and issues in the community and enables them to become trustees of Fort Worth's future. The program provides a richer understanding of Fort Worth's history, current issues, future needs and opportunities. During this program, participants collaborate with each other and community experts to make a difference through in-depth Issues Initiative projects. Completion of the Leadership Class leads to becoming a member of Leadership Forum, a valuable network of talent that creates an environment for continuing development, education and community trusteeship. The Leadership Class:

- Provides established leaders with enhanced knowledge of the Fort Worth community, the way it works, its strengths and the challenges it faces
- Builds connections between leaders who share a passion for specific concerns
- Provides experience with group process strategies to support collaboration
- Aligns personal passions, expertise, and spheres of influence to make an impact on issues that are vital to the Fort Worth community's future.
